

Bright Pop Template Pack

- You will need a free Canva.com account to use these templates.
- Image rights are not included. Please change out all images to your own.
- Templates are for your use only and can not be sold or given away.
- New to Canva? Tutorials on editing the templates are included in this class.

Bright Pop

Each set of links is arranged by the type of template. Simply click on the link to open the templates in Canva.

Happy designing!
